What our colleagues say

“ I have been working for Aspire for over 10 years, originally I started to get experience to look after my terminally ill father, but stayed on as I liked it.

You can freely talk to office staff, to the director as all are very friendly and supportive. Aspire UK provide full training with regular refreshers.

N.D – employee for 10 years

“ I have been working for Aspire since 2000, I feel very comfortable working for them, they have helpful staff and management, they provide quality of care and are a very good established company to work for, the care staff and office staff work as a team.

D.T – employee for 19 years

“ I have been working for Aspire for 11 years now, I originally started, to gain experience to look after terminally ill father but stayed on as I liked working for Aspire and the support they gave.

You can freely talk about concerns to the office staff, management and even the Director, everyone is very supportive. Aspire provide full training as well regular update training, we get to learn a lot.

B.M – employee for 11 years

“ This is my third year in care and the second care company I have worked for, I can honestly say it really is one if not the best care company in the city and county.

I find my job very rewarding you have the opportunity to go further if you desire. I am proud of myself as I have dealt with a variety of challenging care calls, where I feel I have made a difference in people's lives.

G.D – employee for 3 years

“ I have been working for Aspire for the last 7 years and I enjoyed every moment of it, I love my job because I love to work and look after elderly people I think its rewarding, my work colleagues are wonderful and staff in the office are very helpful, they're always there to help their staff.

We have training which is ongoing throughout the year; we do have fun days as well like Diwali & Christmas Parties and evenings out.
